Waterfront Pre-course requirements are the same as above with the following additions.

- ♦ If taking waterfront module only, need current lifeguarding certificate.
- ♦ Swim an additional 250 yards (10 lengths) for a total of 550 yards (22 lengths).
- ♦ Swim 5 yards, submerge and retrieve three dive rings placed 5 yards apart in 4 to 7 feet of water, resurface and continue to swim another 5 yards. Goggles **NOT** allowed

Red Cross Lifeguarding

This course trains individuals to become a certified Red Cross Lifeguard and how to carry them out in a professional manner. You will also learn how to use surveillance techniques, rescue equipment, and how to manage a suspected spinal injury victim.

Class materials, pocket masks, whistle, and hip pack are included. Participants will be required to download the free participants manual. Participants **MUST** attend all classes and **MUST** successfully pass written and skills test to receive certification.

This is a blended learning class. There is approximately ten hours of online learning for you to do on your own, followed by the in class sessions. Once you complete the pre-course requirements you will be given information for accessing the online sessions.

Upon successful completion of this course (including written and rescue skills testing), you will receive an American Red Cross Lifeguard/CPRO/AED/First Aid certificate which is valid for 2 years.

Red Cross Waterfront Module is designed to train pool lifeguards in working non-surf beaches. You will be trained in using mask & fins, searching shallow & deep water areas, and using a rescue board. Training will occur in both pool and waterfront. Upon successful completion of this course (including written and rescue skills testing), you will receive an American Red Cross Lifeguard Waterfront Training certificate.
